

Serena Booking Terms & Conditions

General Booking Terms

These terms and conditions are followed in reservation of Serena's services. In the case of online ticket sales, the online ticket store's own terms of sale and, secondarily, these general terms and conditions shall be observed first and foremost.

Offers are valid until the date of expiry. You can accept the offer by writing or by calling Serena. The offer will be binding on Serena when confirmed in writing by Serena.

The payment term is 14 days net. An office fee of 20 € is added to cottage reservations made by e-mail. An invoicing fee of 5 € is added to other invoices. Late payment interest is 8 %, notice period of 8 days. Serena has the right to charge the price of the accommodation in advance as well as a reasonable booking fee for other services. If a booking fee is charged, the customer will be informed in advance. If the reservation is earlier than 14 days from the confirmation, the invoice payment time may then be shorter than the one mentioned above.

The facilities, meals and services reserved to the customer are available during the confirmed period and the confirmed number of people. When the number of persons is lower than the amount fixed, Serena has the right to change the confirmed price according to the current price list and / or charge a fee for the amount indicated in the confirmation. If the customer fails to arrive and does not cancel the reservation or the cancellation is made later than what has been specified below, Serena will have the right to charge the customer in full or in part for the booked price.

Changing or cancelling a reservation

Cancellations must be done in writing (letter, email) to Serena. The date of the cancellation is the moment when the information of the cancellation has been received in Serena. Leaving the invoice unpaid on the due date is not a cancellation.

The customer must confirm the order and the number of participants according to the following schedule:

- Accommodation and activity services 14 days in advance
- Meals and other services 7 days in advance

Cancellations made after this will be charged according to the order confirmation.

Should the client cancel the reservation 14 days or more before the beginning of the rental period, the booking fee is returned to the client, with 20 € cancellation fee subtracted from the booking fee. If the reservation is

cancelled less than 14 days before the beginning of the rental period, the whole amount is invoiced from the client. The client has the right to receive the amount paid to Serena less the cancellation fee if the client or a person living in the same household becomes ill, is involved in an accident, or dies. Serena must be informed of the cancellation without delay, and a medical report must be provided with the cancellation. Should the cancellation occur during the rental period, the client gets no refunds. Should the client change the reservation 20 € extra cost is charged from the client. All changes must be done no less than 14 days before the beginning of the rental period. Changes done later than 14 days before the beginning of the rental period are considered as a cancellation of the previous reservation and making a new one.

Serena's right to cancel the reservation

If a force majeure condition occurs, Serena may cancel the reservation. In such a case the client has the right to receive the amount paid to Serena in full. Serena has the right to cancel the reservation if the client has not followed the terms of payment.
